Linear Algebra (MT-1004)

Homework#3

Decide if the vector b is in the column space of the matrix A.

OR

Can we write b in linear combination of columns of A?

OR

Is b in Span of columns of A?

$$A = \begin{pmatrix} 1 & 3 & 1 \\ 2 & 0 & 4 \\ 1 & -3 & -3 \end{pmatrix}, b = \begin{pmatrix} 1 \\ 0 \\ 0 \end{pmatrix}$$
